

### **Neighborhood Traffic Calming Program Application**

www.PlanTogether.hcp1.net

### **About the Program**

Harris County's Neighborhood Traffic Calming Policy, adopted in 2024, was developed to lessen the severity of roadway crashes by providing traffic calming measures to reduce vehicles speeds and/or traffic volumes on residential streets within unincorporated Harris County.

If you and your neighbors would like the Office of Commissioner Rodney Ellis to study your neighborhood and consider funding the installation of traffic calming along your street or throughout your community, please complete this application and submit it to **PlanTogether@cp1.hctx.net** or submit an online application. *This program requires a petition and signed affidavit.* Please note, completing this form is not a commitment that Harris County will implement traffic calming, but will begin the assessment process in alignment with Harris County's Neighborhood Traffic Calming Policy.

Once a completed application is received, a traffic study will be conducted to review existing conditions within your community and determine if traffic calming measures are warranted based on recorded speed and vehicle volume data.

#### **Evaluation Timeline**

FY 2026 application period ends January 31, 2025.

## **Neighborhood Traffic Calming Program**Frequently Asked Questions (FAQ)

- Q: When will I know if my applicant streets are selected for a future project?
- **A:** We anticipate announcing projects in May 2026.
- Q: Can we use electronic signatures for the petition?
- **A:** We are required to collect legal signatures as part of the petition process. If an electric signature is an accurate visual representation of the signers signature, then it can be used.
- Q: Can I submit an application after January 31, 2026?
- **A:** Yes, however your application will be part of the FY 2027 review cycle and project announcements will not occur for FY 2027 projects until Spring 2027.
- Q: If my applicant streets are selected for study, what traffic calming treatments will be used in my neighborhood?
- **A:** There is a whole menu of traffic calming treatments that can be used to calm traffic on residential roadways. The Office of Commissioner Rodney Ellis will work with Harris County's Office of the County Engineer and members of your community to determine recommended treatments to solve identified traffic issues.
