

Orphan Road Program Application

www.PlanTogether.hcp1.net

About the Program

An orphan road is a roadway that no legal entity is responsible for maintenance and the burden falls on individual homeowners. Under certain circumstances, Harris County will accept responsibility for, improve, and maintain orphan roads in unincorporated Harris County.

If you live on or own property on an orphan road and would like the Office of Commissioner Rodney Ellis (OCRE) to consider adopting that orphan road, please complete this application and submit it to **PlanTogether@cp1.hctx.net**. Please note, completing this form is not a commitment that Harris County will adopt the road, but will begin the assessment process.
