

Street Lighting Program Application

www.PlanTogether.hcp1.net

About the Program

Roadway streetlights illuminate roadways which can improve both traffic safety as well as public safety. This application allows residents and community members to request street lighting on the local streets within their community. This program is not for street lighting on Major Thoroughfares. Applicants must be a property owner or tenant with an address along the street(s).

If you would like the Office of Commissioner Rodney Ellis (OCRE) to consider funding the installation of streetlights along your street or throughout your community, please complete this application and submit it to **PlanTogether@cp1.hctx.net**. This program requires a petition and signed affidavit or a letter from a HOA or civic association. Please note, completing this form is not a commitment that Harris County will install streetlights, but will begin the assessment process.

Note: Applications from TIRZs, MUDs, Management Districts, and other similar organization will be considered through this program however, a commitment to pay for long-term operations and maintenance will be required from the requesting entity. Private developers are excluded from this program.

Evaluation Timeline

FY 2027 application period ends March 31, 2027.

Application Information (Astrix * indicates required field)

① Applicant's Information:

Name * _____

Telephone Number * _____

Address * _____

Email Address * _____

② Please identify all streets segments proposed for street light installation. *:

Location Requested Street	From	To

**If needed, attach attentional pages or a map*

Street Lighting Program Application (continued)

- ③ Applicants are required to submit a petition with signatures from 25% of front facing residential households (property owner or tenant) along each proposed street. A signed affidavit is required along with the petition. In lieu of petition, applicants can submit a letter of support from an HOA or Civic Association to indicate community support. Please attach petition and affidavit or letter of support. *
- ④ Do you have any additional information you would like to share? If so, please tell us here or attach materials:

Please reach out to **PlanTogether@cp1.hctx.net** with any questions.
Our team is available to support you and your community through all steps of this program.

Street Lighting Program Frequently Asked Questions (FAQ)

Q: When will I know if my applicant streets are selected for a future Street Lighting project?

A: We anticipate announcing projects in Summer 2027.

Q: Can I apply for Street lighting on a major thoroughfare through this program?

A: No, this program is for local streets only. If you have any questions about streets that are eligible for the program, please email us at PlanTogether@cp1.hctx.net.

Q: Can we use electronic signatures for the petition?

A: We are required to collect legal signatures as part of the petition process. If an electric signature is an accurate visual representation of the signer's signature, then it can be used.

Q: Can I submit an application after March 31, 2027?

A: Yes, however your application will be part of the FY 2028 review cycle and project announcements will not occur for FY 2028 projects until Summer 2028.

Q: Can I just get a single light in front of my house?

A: Due to CenterPoint lighting standards we will assess entire street segments instead of single locations to create a comprehensive lightning plan.

Q: Who will maintain lights after installation?

A: CenterPoint will own and maintain all street lights. If you would like to report a street light outage, please do so at <https://gis.centerpointenergy.com/sloreporting/>.

Q: I live within the City of Houston, can I apply for this program?

A: This program is only for local street on the Harris County Road Log within unincorporated Harris County. If you would like to apply to the City of Houston's program you can visit https://www.houstonpublicworks.org/sites/g/files/nwywnm456/files/doc/streetlight_request_application_12.10.2025.pdf
